

Blazing Flame of Love Prayer

Eternal Father,
through the infinite merits of the Most Holy
Wounds of Your dearly Beloved Son, and in
union with His intercession for us before the
glory of Your Face, All-Compassionate One:
may the life-giving rays of our Mother Mary's
Flame of Love shine on us with its incandes-
cent explosive force!

As at Pentecost, when Your first apostles were gathered
around the Most Holy *Theotokos*: lavish the inextinguishable Flame of
Heavenly Fire above us, around us and in us. Immerse us in Yourself!
Ignite in our souls the zealous desires of Jesus' Sacred Heart blazing
with the majestic beauty that blinds Satan.

Through Mary's most pure humility and perfect love, may Your Divine
Mercy's healing Light be well pleased to work in the depths of our
hearts the miraculous wonders of Your Spirit's transfiguring grace.

Thus, will Your sublime All-Consuming Fire transform our tepid souls
to participate in Christ's work of Redemption and produce an abundant
harvest for the praise of Your glory.

We, Your little ones, humbly ask this in communion with Your Spirit of
Promise and in the Most Holy Name of Jesus, for the universal triumph
of His Divine Love, "the liberation of souls and the opening of the way to
salvation to its fullest extent."

Amen.

Hail, O Flame of Love of the Immaculate Heart of Mary,
Radiant Dawn of the Church's Triumph!

Theotokos full of grace, may we become courageous conquerors
in Christ's Eternal Truth and All-Victorious Love!

Que Viva Cristo Rey!
