

## A Prayer for the Intercession of Elizabeth Kindlemann

Lord, you raised up Elizabeth Kindlemann to be the Spark  
of the Flame of Love of the Immaculate Heart of Mary,  
the Conflagration of Divine Love, which will engulf the  
world and put out the sulfuric fumes of Satan.

She was humble to the point of nothingness...but with  
the Wounded Heart of the Mother;

A woman who gave all to and for her children, as you and  
Mary gave all for us;

A woman who was willing to die for Love...in total  
suffering...for souls.

Oh, how precious is every soul to our dear Lord and His  
Mother!

May this humble, poor servant intercede for us,  
so we may imitate her total self-giving and burning  
reparation for sinners.

May she intercede for the lightening spread of the Flame  
of Love to every continent,  
and to every person who is open to the Fire of Divine Love,  
so that the New Pentecost may descend, and the Holy  
Spirit may be known and honored  
with His rightful place as the Sanctifier!

May the face of the earth finally be renewed as the  
successors of Peter have begged you,  
and all of Heaven now constantly implores, for the honor  
of the Queen!

So, that the King of Hearts in the Most Blessed Sacrament  
may finally have His Kingdom on earth!

Lord, may Elizabeth be raised to the altar of sainthood  
solely for Your glory,

So, the power of the Flame of Love of the Immaculate  
Heart of Mary may be known.
